Itinerary Number 17**Rugged (good mix of program & hiking) - 70 miles**

Start your trek by seeing the only confirmed T-Rex track in the world! From there, be one of the first crews to camp at Campos Canyon, located on the Heck Track of Ted Turner's Vermejo Park Ranch. You will then hike among bizarre rock outcroppings on your way to rock climb and rappell at Dean Cow. Hike up Dean Canyon and then test your crew skills with initiative games and challenge course events at Head of Dean. From there, work on a trail project with the Conservation Department at Baldy Skyline before camping at one of Philmont's most beautiful camps for two nights, Ewells Park. Check to see if the southeastern most campsite is available so you can watch the sunset over Baldy while eating dinner. Get your rest and wake up early to climb over Baldy Mountain and to visit historic Baldy Town. From Ewells, visit French Henry to explore Lucien Maxwell's best gold producing Aztec Mine. Then, be astounded at the view from Copper Park before hiking to Upper Greenwood Canyon for the night. Head northeast into the Valle Vidal Unit of the Carson National Forest to experience the incredible ponderosa pine stands and some of the most heavily populated elk habitat in the southwest. Camp at Iris Park and Ring Place, but be sure to mountain bike at Whiteman Vega and take part in a search and rescue mission with the staff members at Seally Canyon! Enjoy navigating across Beatty Lakes before crossing back onto Philmont property and staying at Cook Canyon for the night. Wake up early and hike to Ponil so you can sign up for Cowboy Action Shooting and horse rides before eating a chuck wagon dinner and being entertained by a wonderful cantina show. Grab a cowboy breakfast on your way out of the backcountry. Next stop... Base Camp!
